Palm Beach Roadrunner Races

In March, Palm Beach Road Runners host it's annual **Shamrock 5K and 10Miler** which is a well-attended race, probably for its long history, its appeal to runners of longer and shorter distances and, of course, its connection to St. Patrick's Day! The post-race party features food, refreshments, music, and an awards ceremony.

Our famous annual Thanksgiving Day **Race 4 the Pies** is an unforgettable event! Runners enjoy running through the streets of Tequesta, all hoping to be one of the first 900 finishers to be awarded a fresh baked Publix apple pie. The post-race party features food, refreshments, music, and an awards ceremony. Don't forget to bring a nonperishable food item to benefit the food pantry of The Episcopal Church of the Good Shepherd.

Every December our yearly **Classics by the Sea 5K, 10K and 1 Mile chip timed Race** has been growing in numbers. Join this great race and bring a new toy to donate to Toy for Tots. Your donation helps make the holidays brighter for thousands of needy children in Palm Beach County!
